Kids Haven protects and cares for children in crisis, and empowers families, children and communities to build safe and caring spaces for all.

SPORTS AND RECREATION

Who is it for:

Kids Haven encourages the Incare children to participate in a range of sport and cultural activities. Such activities help with the development of self-esteem and includes the children in their local communities.

Where and when:

Kids Haven has its own sports teams and children are encouraged to play soccer, netball and cricket in competitions and matches in their communities throughout the year. There is also a cultural programme which includes choir, drama and chess. These children also participate in competitions or events in their local communities.

Children who attend formal school receive all the necessary help to participate fully in their school sports and cultural activities.

Kids Haven facilitates the President's Awards which are focused on personal development and leadership. Children are able to participate at the Bronze, Silver or Gold levels.

Kids Haven provides all the necessary resources, usually through donated second-hand equipment, and is responsible for providing transport to sporting activities as well as any match and competition fees. Kids Haven must also cover the cost of any sports tours if children attending formal school are selected for a touring team.

Key outcome:

To ensure our Incare children have every opportunity to explore their sport and cultural talents and interests.

Cost:

The annual budget to cover all sports and recreation costs is R68 241. This includes tours, coaching fees, match fees, transport and more.
